The undersigned complainant being duly sworn states:

That on or about January 21, 2008, within the Southern District of California, material witness, Severino AMADOR-Rios, did witness and observe defendants "F.R.H." and "P.M.D." transport into the United States two undocumented aliens, in violation of Title 8, United States Code, Section 1324(a)(1)(A)(ii). The Material Witness testimony is essential to support a petition in the State of California Juvenile Court against the minors and whose whereabouts at the time of trial will be a foreign country, or unknown, a warrant for his arrest should be issued, and he should be detained until his testimony can be secured. The affiant further alleges that the above-referenced material witness is a citizen and native of Mexico with no legal right

1 to remain in the United States, and have no apparent means of support  
2 or family ties.

3 Therefore, the above-referenced material witness is a material  
4 witness under Title 18, United States Code, Section 3144.

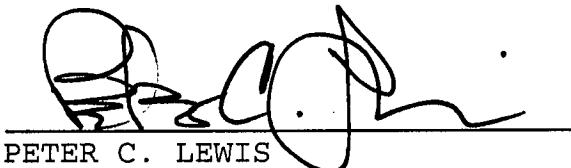

5 This complainant states that this complaint is based on the

3 STATEMENT OF FACTS

4 1. I am a Senior Patrol Agent with the United States Border  
5 Patrol, assigned to the El Centro Sector Prosecutions Unit. This  
6 affidavit is made in support of a material witness complaint and  
7 arrest warrant, pursuant to Title 18, United States Code, Section  
8 3144, for Severino AMADOR-Rios. This application seeks the Witness's  
9 detention so that his testimony may be secured for trial in the  
10 Southern District of California.

12 2. The United States Government has filed a juvenile petitions  
13 against "F.R.H." and P.M.D.", within the State of California's  
14 Juvenile Court system for the violations of Title 8, United States  
15 Code, Section 1324, Transportation of Illegal Aliens within the  
16 Southern District of California. The Government has also filed  
17 petitions for "F.R.H." for violating California State Penal Code 148  
18 (a)(2), Resist, Obstruct, Delay of Public Officer

20 3. On January 21<sup>st</sup> of 2008, Border Patrol Agents of the El  
21 Centro Sector encountered both "F.R.H." and "P.M.D." as they attempted  
22 to smuggle three illegal aliens for financial gain.

23 4. At approximately 3:46 P.M. Border Patrol Agent T. Reber  
24 attempted to stop a white Ford Crown Victoria, bearing California  
25 registration plate of 5LUUM948, to further investigate a possible  
26 violation of 8 U.S.C. 1324. Agent Reber could see two visible front  
27 seat occupants. Using the emergency lighting and sirens on his Border  
28 Patrol Vehicle attempted to stop the Ford. The driver, later

1 identified as "F.R.H.", accelerated away from the agent thus failing  
2 to yield and endangering the motoring public. Agent Reber  
3 discontinued pursuit as "F.R.H." exceeded the posted speed limits.  
4 Agent Reber reported the Ford was last seen driving eastbound on  
5 Interstate 8.

6 5. At approximately 4:00 P.M. Agent I. Cerda encountered a white  
7 Ford Crown Victoria traveling northbound on state Highway 111. Agent  
8 Cerda was able to confirm this Ford had the same California  
9 registration plate as that of the Ford Agent Reber had attempted to  
10 stop but failed to yield for him. Agent Cerda continued to follow the  
11 Ford and could only see two visible front seat occupants. Agent Cerda  
12 attempted to have agents respond and to get into position to assist  
13 him with stopping the Ford.

15 6. As the Ford passed Agent Penhallegon's position, Agent  
16 Penhallegon recognized the driver, "F.R.H.", and the passenger,  
17 "P.M.D.", from previous apprehensions for their involvement in  
18 smuggling schemes and that they both are undocumented alien to the  
19 United States. Agent Penhallegon reported this to fellow agents in  
20 the area.

22 7. Still following the Ford, Agent Cerda could see the driver,  
23 "F.R.H.", looking in the rear view mirror at him. "F.R.H." then  
24 accelerated away from Agent Cerda.

25 8. East of the city of Niland, California, based on the  
26 observations of the agents and the fact Agent Cerda could see multiple  
27 individuals popping up and down in the rear seat of the vehicle, using  
28 the lights and siren of his Border Patrol Vehicle Agent Cerda

1 attempted to stop the Ford. Again "F.R.H." failed to yield to the  
2 agent and accelerated away from him.

3       9. After approximately one mile "F.R.H." finally stopped the  
4 Ford for the agent. Agent Cerda removed "F.R.H." from behind the  
5 steering wheel of the Ford.

6       10. Agents questioned the occupants of the Ford and determined  
7 them all to be citizens of countries other than the United States  
8 illegally in the United States.

10       11. Material Witnesses to the incident are able to provide  
11 positive identification of the principal, "F.R.H." and the co-  
12 principal, "P.M.D.", as having a significant part in the smuggling  
13 scheme. The Material Witnesses are also able to provide significant  
14 testimony which would cooberate the statements of the Agents.

15       12. Based on the foregoing, I respectfully submit testimony from  
16 SEVERINO AMADOR-RIOS at trial will be material.

17       13. In addition, it will not impractical to secure the presence  
18 of SEVERINO AMADOR-RIOS by subpoena for the following reasons:

20           a. SEVERINO AMADOR-RIOS is not a citizen of the United  
21 States and currently resides in Mexico with his family;

22           b. SEVERINO AMADOR-RIOS does not possesses any immigration  
23 documentation to be, reside or live in the United States lawfully.

24           c. SEVERINO AMADOR-RIOS has an incentive to avoid coming  
25 to the United States and appearing in court as a government witness  
26 as he was trying to illegally enter the United States without properly  
27 filing for admittance.

28

1       14. I believe that, based on the facts set out above, there is  
2 no condition or combination of conditions that would reasonably assure  
3 the appearance of SEVERINO AMADOR-RIOS. Accordingly, I respectfully  
4 request that a complaint and arrest warrant be issued for SEVERINO  
5 AMADOR-RIOS.

6               WHEREFORE your affiant prays that the Court issue a material  
7 witness warrant for SEVERINO AMADOR-RIOS, and he be imprisoned or  
8 bailed as the case may be.
